

# **We Are Looking for Distributors**

Our company specializes in the production of **precision measurement and control devices** and is a leading name in the industry. To expand our sales and distribution activities outside Turkey, we are seeking **international distributors**.

## **Required Qualifications:**

- Experience in the field of industrial measurement and control devices,
- A strong customer network in target markets,
- Ability to provide technical support and after-sales services,
- In-depth knowledge of local markets and industry trends.

## **What We Offer:**

- High-tech products that comply with quality standards,
- Ongoing technical support and training opportunities,
- Long-term business partnerships and profitability potential.

## **How to Apply and Contact Us:**

If you are interested in becoming our distributor or would like to receive more details, please contact us:

Email: [kao@kaometrology.com](mailto:kao@kaometrology.com)

We look forward to collaborating with dynamic partners to expand our global presence!
